Figyeld meg, hogy melyik gyümölcs hol helyezkedik el a négyzethálóban! Takard le a kártyát és az üres alapra helyezd rá a kivágott gyümölcs-kártyákat a megfelelő helyre! Ezután ellenőrizd a megoldásod!

Ha eleinte nehezen megy az emlékezetből kirakás, akkor először a kártyát nézve tedd a gyümölcsöket a helyükre, megfogalmazhatod szóban is, hogy melyiket, hová tetted! Ha ez már jól megy, nehezítheted a játékot!
